Note:

1. In case, 02 (two) or more candidates secure the same total (aggregate) marks, their seniority in the final merit/selection list will be decided upon comparing the marks obtained by the candidates in the Final Combined Competitive Examination. The one who secures higher marks in the Final Combined Competitive Examination will rank higher in the Merit List. If the marks secured in the Final Combined Competitive Examination are also the same, then seniority will be determined by the marks obtained by the candidates in Paper-I (General Studies & Arithmetic) of Final Combined Competitive Examination. The one who secures higher marks in Paper-I (General Studies & Arithmetic) of Final Combined Competitive Examination will take precedence in the Merit List. If the marks secured in Paper-I (General Studies & Arithmetic) of Final Combined Competitive Examination also turn out to be equal, then seniority will be determined by their age. The candidate older in age will rank above the others in the Merit List.
2. The list has been prepared on merit basis, that is, if a candidate scores higher or equal to the cut off score of UR candidates he/she has been selected under UR category irrespective of his/her social category provided that he/she has not availed age relaxation or in terms of Cut Score benefit being a candidate of a particular social category.
